

Year 3

Week 6

Year 3 - Week 6

This week in a nutshell:

We are now the sixth week of Fluent in Five. Remember that after this week, there will be two questions each day where a written method will probably be required.

This week:

- Mental addition and subtraction involve adding and subtracting using place value skills.
- Mental multiplication focuses on the 8 times table.
- Written addition continues to focus on the addition and subtraction of numbers with 3 digits.
- Written multiplication is now extended to multiplication beyond 19 times.
