

### Maths:

This weeks MyMaths and CanDo activities are focusing on the properties of 3D shapes. Do each lesson first and then tackle the questions.

*Extra activities to challenge you:*

- *TTR / Hit The Button*
- *Fluent in 5*
- *NCETM <https://www.ncetm.org.uk/resources/54432>*
- *5 minute frenzy*
- *White Rose Maths Hub problem of the day*
- *Practice Tables Races*

### Writing and grammar:

I have loved seeing how inspired you have been by the English learning recently. I especially loved seeing your poems and stories.

We are now going to embed what you have learnt by using your CPG books.

Grammar—Pg. 26-27

Punctuation—Pg. 58-63

Spelling—Pg. 68-69

### Reading:

- Pick one of the suggested reading activities (Key Information page).
- Read this week's 'Picture News'. What is your opinion on what you have read?
- Check out this weeks 'First News'. You could try to complete some of their puzzles and enter one of the competitions.

# Y3 Home Learning Week 7

*Dear parents,*

*Here is an overview of the learning we would like your child to complete this week.*

*I will email you on Wednesday to check how you are getting on but please contact me if you have any questions in the meantime.*

### DT:

Read Picture News at Home to find out about a different style of house building. I now want you to design your own home. It should be your Dream Home so be as creative as you can. I can't wait to see your designs!

### History (Two week project):

Watch this clip to learn about Roman architectural style <https://www.bbc.co.uk/bitesize/clips/zq49wmn> Now use the resource for week 7 to see some famous Roman buildings. Finally we are going to become Roman architects and use our knowledge of 3D shapes to make a model Roman style building from a range of modelling materials. If you would like to share your building, send me a photo and I will put it on our class page.

### Science:

This week we are exploring the part flowers play in the life cycle of plants. Keep recording your findings from your previous experiments. Have you come to any conclusions yet?

### Computing:

Complete the third part of the e-safety activity.

### R.E.

Following on from our work earlier in the year on the Hindu festival of Diwali, we are going to look in greater depth at Hinduism. Look at this link and take the quiz at the end <https://www.bbc.co.uk/bitesize/topics/zh86n39/articles/zmpp92p>

### P.E.

Use the PE newsletter for some great ideas to help you stay active this week.
