Autumn Term 1 Homework

Weekly :

Read 5 times a week and record each day in reading record. Discuss your reading with an adult at home. Use your reading to add new words to your vocabulary book to improve your written work in class.

Spelling practice each day, these will be tested on Friday. Find new words using the letter pattern being practised. Regularly go over the yY5/6 Word list

Choose 3 tasks from below and hand in by Friday 12 October 2018

Task 1 Geography

Do a presentation about a country in a different continent to us—think about size, population, landscape features,

It could be a poster, power point, fact file

Task 4 Geography

Create a small scale 3d map of the area where you live—your street and the streets surrounding your estate.

Task 2 Geography /English

Create a leaflet advertising Chippenham for people that might be visitors to the area.

What information do they need to know?

Task 5 Maths

Follow the Numbers—See attached sheet.

Please take paper form class if needed

Task 3 English

Use 20 of the Y5/6 spelling words

Create a word search that someone could use to help them learn the words. Write a funny story using the words in your writing

Computing

Create a poster about online safety.

You must include everything you think is important to share with the rest of the school
