

Maths:

This week's maths work:

- My Maths - mixed assessments
- Fluent in 5
- Arithmetic test

Don't forget to keep practising your times tables!

You can use TTRS, 5 minute frenzy or My Maths games.

Spelling:

Complete pages 74-75 in your CGP books ('shus' sound)

Keep practising your Y 3, 4, 5 & 6 tricky words using the suggested activities.

Grammar:

Complete pages 58-62 in your CGP books on understanding and using colons and semi-colons.

Writing:

Using the picture and text called 'The Tunnel' I would like you to complete the writing activities. Remember, you can type your stories if you prefer.

Y6 Home Learning Summer Term 2 Week 1

NATURE

Dear Eagles,

Welcome to Summer term 2. This term is slightly different to the last.

Instead of having 1 topic for the whole term, we are going to have a different mini-topic each week.

You can see this week it is nature.

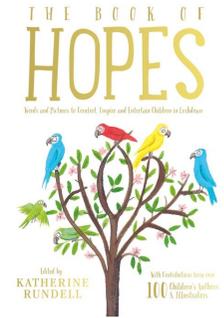

You can still email me if you need me, but I won't be able to reply until after 3pm as I'll be in school with some of the Y6s until then.

Keep working hard guys!

Miss Davies :-)

Reading:

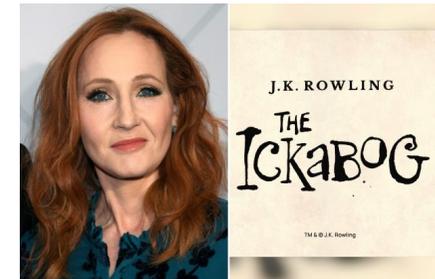

Katherine Rundell (who wrote The Explorer) has edited a book of short stories, poems, pictures and essays all about Hope. Some of the authors include Greg James, Anthony Horowitz and Jacqueline Wilson. Starting at the beginning with A Song of Gladness by Michael Morpurgo, I would like you to read one piece of writing every day.

It's all available online completely free!

<https://literacytrust.org.uk/family-zone/9-12/book-hopes-for-children-during-lockdown/>

J K Rowling has published a new story called The Ickabog free to read online! She is releasing a chapter everyday. You can also take part in the illustration competition! Enjoy :-)

Nature learning:

The Wildlife Trust are setting a challenge this month called 30 Days Wild. I have attached the pack onto the school website. Their website has other challenges and activities to help look after nature and ourselves.

<https://www.wildlifetrusts.org/looking-after-yourself-and-nature>

They have a great selection of webcams that show animals in the wild! Take a look:

<https://www.wildlifetrusts.org/webcams>

They even have a YouTube channel with videos posted every Wednesday!

<https://www.youtube.com/channel/UCC-XBsQ6yACeGoWCDVa-LWA>

Keeping active:

<https://www.youtube.com/watch?v=d3LPrhI0v-w&safe=active> The Body Coach

<https://www.youtube.com/watch?v=tWSgNEs4IPg&safe=active> Yoga

<https://family.gonoodle.com/> Dance

Extra work (if you choose)

On the website I have attached more ideas if you need them:

- Can Do Maths
- Bird decoration
- Wildlife identification
- Science with ice
- BBC Bitesize lessons

<https://www.bbc.co.uk/bitesize/tags/zncscw/year-6-and-p7-lessons/1>

- The Oak National Academy lessons
<https://www.thenationalacademy/online-classroom/year-6#>

Science:

Use this website to research wildlife friendly gardens and then design your own. Make sure your design is labelled and coloured.

<https://www.rspb.org.uk/birds-and-wildlife/advice/gardening-for-wildlife/creating-a-wildlife-friendly-garden/>

Computing:

If you have access to a laptop, it would be a really good idea to perfect your typing skills before you go to secondary school. The BBC have a website to help:

<https://www.bbc.co.uk/bitesize/topics/zf2f9j6/articles/z3c6tfr>

Don't forget you could also be practising your coding skills using the Hour of Code website:

<https://code.org/hourofcode/overview>
