

Maths:

This weeks MyMaths tasks are revisiting our learning on fractions. In the CanDo activities, you will be re-capping learning from Term 3.

Extra activities to challenge you:

- *TTR / Hit The Button*
- *Fluent in 5*
- *NCETM <https://www.ncetm.org.uk/resources/54432>*
- *5 minute frenzy*
- *White Rose Maths Hub problem of the day*
- *Practice Tables Races*

Writing and grammar:

In English this week, we sticking with the trolls! You will find lots of activities in the pack based around this theme.

The tasks are great fun and although there are lots of things to do, there is no expectation for you to complete them all in one week — they are there for you if you feel up to the challenge!

Reading:

- Pick one of the suggested reading activities (Key Information page).
- Read this week's 'Picture News'. What is your opinion on what you have read?
- Check out this weeks 'First News'. You could try to complete some of their puzzles and enter one of the competitions.

Y3 Home Learning Week 10

Dear parents,

Here is an overview of the learning we would like your child to complete this week.

I will email you on Wednesday to check how you are getting on but please contact me if you have any questions in the meantime.

P.E.:

Use the PE newsletter for some great ideas to help you stay active this week.

History:

I hope you all had a good trip to Pompeii last week. This week you are going to become Roman Soldiers! Watch this clip to find out what life would be like as a soldier in the Roman Empire <https://www.bbc.co.uk/bitesize/clips/zbns34j> . Once you have found out what skills you need to succeed as a soldier, fill in the job application form and hopefully you will be accepted into the Roman Army.

Science:

There are two activities for science this week. The first task is for you to design and create a way to represent the stages of a flowering plant's life cycle. Be as creative as you can! I would love to see what you came up with. There are some ideas on the activity sheet but you could use any method you choose.

The second activity is a 'Roll & Draw a Plant' game. You could challenge your parent, a sibling or even a teddy. Good luck!
