

Maths- workout CanDo Maths 1.10

My Maths- counting in 2's, 5's and 10's

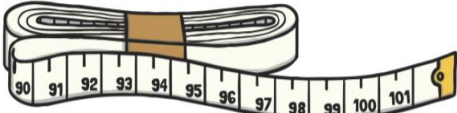

Other activities to practise-

1. can you count forwards and backwards in 1's to 50
2. practise counting in 10's, 5's and 2's
3. have a go at the counting in tens maze

Outdoor Maths ★

Using a tape measure, can you find the length / height of different natural objects? Can you estimate how long / tall they will be?

Can you place them in order starting with the smallest?

Science/Geography – Animals and their habitats

Watch Longleat virtual tour part 3
<https://www.youtube.com/watch?v=XxOS4eaBcWY&t=44s>

You have been asked to create a new enclosure at the Safari part for a new animal, what would it look like, what do you need to put in it to make your animal happy and feel at home, would it need any special food or care. Draw and label this new enclosure.

PSHE How am I changing

Have a think, how has your life changed since I last saw you? Create a poster to record your ideas and thoughts

Things you have enjoyed or are really proud of

Has anything worried you or made you feel sad

New things that you have learnt- eg ride your bike, make a sandwich

Things that are different

Things that are the same

Other useful links

BBC bitesize daily- here there are lots of lessons all many different topics. These are age appropriate just go to Y1

This weeks maths lessons are very similar to what we are looking at in class this week. So worth a look for

Other games which I have recommended in the past are still worthwhile.

English-

In school we are thinking about using simile to describe an action or animal comparing it to something else using 'like a'

- Use the word mat to create your own similes to compare
- Can you use your similes to write a poem 'Called I am....' Or as it is fathers day soon how about all about your dad! Look at the sheet for some ideas

As happy as a
 As strong as a
 As quick as a
 As kind as
 As loving as

- Can you create an alphabet using natural materials make a choice whether you are going to use lower or upper case letters (don't mix them up)
- Have a go at begin a word collector go for a walk and collect 10 words you like the look of. When you get home put them into sentences or challenge yourself can you put them into a story.

PhonicsEnglish- alternatives to igh (i-e, ie, y, igh)

Phonics and keywords are a real focus in school at the moment

1. Choose one spelling of this sound each day- how many words can you list for each sound
2. Practices writing them- can you learn to spell them

Have a go at the different worksheets or see how many of these words you can find in books, magazines etc

3. **phase 5 sounds** Play this game how many sounds can you read in 1min
<https://www.phonicsplay.co.uk/resources/phase/2/flashcards-time-challenge>
4. Keywords go over Y1 words time how long it takes you to read them or try this game we are using in school <https://www.phonicsplay.co.uk/resources/phase/2/tricky-word-trucks>

English- Daily Activities

- Keep reading! 10mins reading to someone then get someone to read 10mins to you.

This weeks books are

Fun at night <https://www.oxfordowl.co.uk/api/interactives/29280.html>

The stinky plant <https://www.oxfordowl.co.uk/api/interactives/26345.html>

Dragon Boy https://www.oxfordowl.co.uk/api/digital_books/1245.html
