

Maths:

This week's maths work:

- My Maths - time
- Fluent in 5
- Arithmetic test

Don't forget to keep practising your times tables!

You can use TTRS, 5 minute frenzy or My Maths games.

Spelling:

Please complete page 86-87 in your CGP books.

(suffix -fer)

Keep practising your Y 3, 4, 5 & 6 tricky words using the suggested activities.

Writing & Grammar:

I have attached an English booklet called 'Doors—the world of possibility'. In this booklet there are many writing, grammar and comprehension activities all linked around the idea of doors that lead us to wherever we like. There are 10 activities in this booklet. I am NOT expecting you to do all the activities in 1 week, unless you would like to. I would suggest choosing at least 3 of the activities to complete this week. In school we will be completing activities 1, 2, 4 and 5 if you would like to do exactly the same as us.

Y6 Home Learning Summer Term 2 Week 3

WHERE IN THE WORLD?

Dear Eagles,

*This week's topic is **WHERE IN THE WORLD?***

You can still email me if you need me, but I won't be able to reply until after 3pm as I'll be in school with some of the Y6s until then.

Keep working hard guys!

Miss Davies :-)

Reading:

Keep reading the Book of Hopes.

It's all available online completely free!

<https://literacytrust.org.uk/family-zone/9-12/book-hopes-for-children-during-lockdown/>

J K Rowling has published a new story called The Ickabog free to read online! She is releasing a chapter everyday. You can also take part in the illustration competition! Enjoy :-)

<https://www.theickabog.com/home/>

Geography:

I have created a geography challenge sheet for you to complete.. It includes a variety of different activities. You may need to access the internet to answer all the questions. Below are two interesting websites to learn more about the world.

https://www.geographyfieldworkacademy.co.uk/fae/file/asset/13/GFA_World_webcam.pdf

<https://online.seterra.com/en>

Keeping active:

<https://www.youtube.com/watch?v=d3LPrhI0v-w&safe=active> The Body Coach

<https://www.youtube.com/watch?v=tWSgNEs4IPg&safe=active> Yoga

<https://family.gonoodle.com/> Dance

Extra work (if you choose)

On the website I have attached more ideas if you need them:

- First News
- BBC Bitesize lessons

<https://www.bbc.co.uk/bitesize/tags/zncscw/year-6-and-p7-lessons/1>

- The Oak National Academy lessons

<https://www.thenational.academy/online-classroom/year-6#>

DT:

Gustave Eiffel, Isambard Kingdom Brunel and Emily Roebling are famous designers and engineers. They contributed to key structures around the world. Using the fact sheets attached learn about these engineers, you can use the QR codes to find out more.

Once you have learnt about these people and the structures they built, you could have a go at designing and creating your own structure. This could be a model of an existing structure or a creation of your own design .

Art:

Linked to the English work and the theme of around the world the art activity for this week is keyhole artwork. See the example sheet I have attached.

Perhaps your keyhole artwork could be your favourite place in the world, or the place you would most like to visit.
