Complete the spelling activities linked to the -ious suffix.

Please complete pages 48-49 in your CGP book about pairs of brackets and dashes. Could you use this earning in your balanced argument writing?

Writing:

Your task this week is to write a balanced argument to answer the question: **Should kids be banned from buying junk food?**

Read the PowerPoint to remind you what a balanced argument is. The most important thing to remember is that a balanced argument contains the opinions of both sides. Your argument needs to be a minimum of 4 paragraphs long—follow the advice on the PowerPoint. Remember you can type or handwrite your work.
