

Maths:

This week's maths work:

- My Maths - money & budgeting
- Fluent in 5
- Arithmetic test

Don't forget to keep practising your times tables!

You can use TTRS, 5 minute frenzy or My Maths games.

Spelling & grammar:

Please go through your CGP book and make sure you have completed ALL of the spelling activities.

Please complete pages 52-55 in your CGP book about apostrophes .

Writing:

Linked to careers week, I would like you to think carefully about what you would like to do as your career when you are older. Do some research into that career and create a non-chronological report about it. Think about the features of a non-chronological report and the style.

Remember you may type or handwrite and you may chose to include pictures, tables or diagrams.

Y6 Home Learning Summer Term 2 Week 5

CAREERS WEEK

Dear Eagles,

This week's theme is CAREERS WEEK. It's all about focusing on the future and your career choices. I hope you enjoy!

Don't forget to drop me an email if you need me or to share your work with me!

Keep up the good work!

Miss Davies :-)

Reading:

Keep reading the Book of Hopes. It's all available online completely free!

Careers Week:

As we come to the end of Y6 and your time at primary school we start to look towards your future.

Have you ever thought about what career you would like when you are an adult? It's time to investigate a selection of careers!

The PowerPoint on the website has details of over 30 different careers. The information on each slide comes from people in those careers, the PowerPoint was created by a teacher and shared for everyone to use.

Work your way through the PowerPoint, completing any activities you can. I hope you enjoy it :-)

Art:

This week's focus is the Japanese artist Hokusai. Use the websites below to learn more about him.
