### English

**Spellings** as we are nearing the end of the year and you have been working on your spellings, now might be a good time to ask someone in your family to give you a test to see how many spellings you have confidently consolidated. You should be on your second half this week. How did you do, let me know? .

about types of angles

# Modern Explorers

Read the Power Point **RESOURCE 5**

Who has inspired you? Why? How do you think they might have had an impact on the world around them? What do you admire most about them? What else can you find out about this person? If you were to pick an area of exploration, what might you like to conquer? Think of an interesting and creative way to display your findings. (a poster, a fact file, a mind map)
