

Kites

Home Learning

Week 14

13 July 2020

*Hello Kites*

*WOW!! Week 14!!*

*Unbelievable!!*

*Well done you have done a fantastic job. This is your last week of Home Learning and the last time you will have to email your learning to me! Then the Summer Holidays can begin.*

*Not such a busy week of learning for you as you also have your visits into school.*

*Looking forward to seeing you all on Tuesday.*

*Mrs Henshall*

### Maths

- **End of year test**—Let me know how you get on with this.
- **My Maths**—Please go back over any of the activities where you have scored below 60%. Don't forget to do the lesson part of the task as this will help you to understand what you need to do.
- **Arithmetic Test 10**

### Spelling and Grammar

If you have time over the summer please continue to work through these books. You will need to hand them in to Miss Davies when you return to school in September.

Continue learning your Spelling words

### English: Writing a 'Lockdown' Report

I would like you to write a report about your Lockdown experiences and your Home Learning.

Think about the positives and negatives—what has worked well, what has been a struggle, what have you enjoyed, what have you missed? Have you learned anything about yourself or your family?

Has it been interesting seeing all the work your parents have to do>

*Please could you email this writing to me—Thank you*

### Art

We have found out about lots of different artists during Lockdown. I would like you to go think about all the different artists we have learned about and choose which one was your favourite.

I would then like you to create your own piece of art but in the style of the artist.

*Please could you email these pictures to me.*
