

## Ospreys Class Spring 2020 RE: Christianity—What do Christians learn from the creation story?

Key knowledge	
<b>Genesis</b>	Genesis is the first book of the Bible. This is the very start of the Creation story.
<b>Creation</b>	The story recounts how God creates each part of the world on each day. This culminates with the creation of human beings on the sixth day.
<b>Fall</b>	Adam and Eve eat from the tree of the knowledge of good and evil — the one thing that God has commanded them not to do. Many Christians talk about this as being the moment when sin enters the world — or ‘the Fall’.

### By the end of this topic we will...

- Place the concepts of God and Creation on a timeline of the Bible’s ‘Big Story’.
- Make clear links between Genesis 1 and what Christians believe about God and Creation.
- Describe what Christians do because they believe God is Creator. (For example, follow God, wonder at how amazing God’s creation is; care for the earth in some specific ways.)
- Ask questions and suggest answers about what might be important in the creation story for Christians living today, and for people who are not Christians.
