C of E Primary School

By Brook Valley School will shortly have a vacancy for a Foundation Governor.

If you,

- Care about children and their education
- Enjoy making a difference within your local community
- Have a commitment to supporting and encouraging the distinctive Christian ethos of the school

Then whether or not you have school aged children, you may be interested in becoming involved in the governance of our popular, thriving Church of England primary school.

A Foundation Governor has a particular responsibility within a Church School to preserve and develop the Christian character and ethos of the school. At By Brook Valley, the Foundation Governors sit on the “Foundation and Ethos” sub-committee. In addition, all Governors sit on the Full Governing Body, and share responsibility for things such as: supporting the school, developing the school improvement plan, making budgetary decisions, holding the head teacher to account, and monitoring the implementation of school policies. You don’t need to be an expert in any of these areas as training is available in all aspects of being a Governor, and there is an opportunity to become more involved in the areas that you are most interested in.

For an informal chat about the role of the Foundation Governor at By Brook Valley, please contact Jaclyn Cross, Chair of Foundation and Ethos Committee ([jcr@bybrookgovernors.co.uk](mailto:jcr@bybrookgovernors.co.uk)) or Rev Anjali Kanagaratnam, ex officio church representative ([aja@bybrookgovernors.co.uk](mailto:aja@bybrookgovernors.co.uk)).
