

## English

This term our learning will focus on WW2 and we will be using, letters, stories and poems and diary entries to support us in our own reading and writing. We will

initially focus on character description whilst also concentrating and working on correct use of grammar.

## Maths

We will begin by focusing on place value and ensure we are confident in using a range of numbers from very large to very small. We will then move on to

calculation strategies in addition and subtraction for 4 digit numbers. We will end the term by looking at multiplication and division and how this will help us identifying cube, square and prime numbers.

## History

Our focus is WW2. We will be answering the key question 'What impact did WW2 have on Great

Britain? We will focus on the war in Britain and the Home Front. We will try to focus as much as possible on the Local area—if you have any resources or know of anyone that would like to talk to us please let us know.

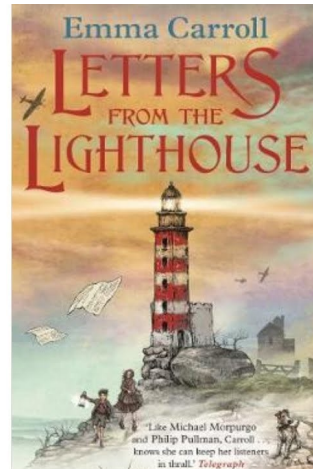

## French

We will learn how to introduce ourselves and have short conversations with others about ourselves and our hobbies.

# KITES

## AUTUMN 2023

### WORLD WAR II

Class read-  
Letters from  
the  
lighthouse  
by Emma  
Carroll

### Class information

For PE this term year 5 will have gymnastics and yoga sessions. Please make sure students are in PE kit on both **Monday and Tuesday** for these lessons.

Spellings and tables races will be tested every Friday morning. Reading records will also be collected on a Friday, try to read 5x a week.

**ROOTS TO GROW, WINGS TO FLY**

### RE—How do we show commitment?

In RE we will learn about Sikhs and consider the ways they show their commitment, how this compares with Christianity and how others show commitment.

## Science

This term our Science focus will be Chemistry. We will complete a chemistry project in teams where we will investigate dyes and changing materials and make displays ready for the science fair.

## Art and DT

In art we will be working on our sketching skills, looking at how to create perspective and learning about artist L S Lowry.

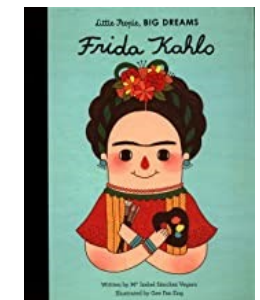

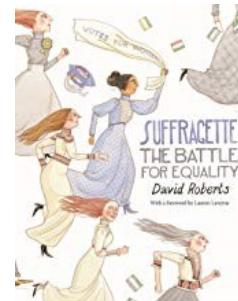

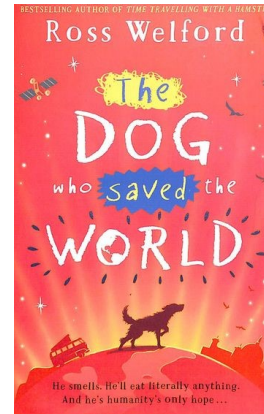

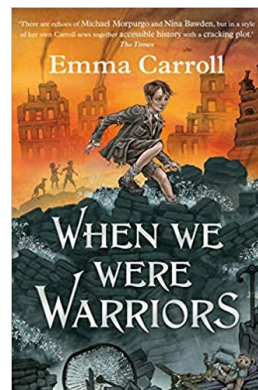

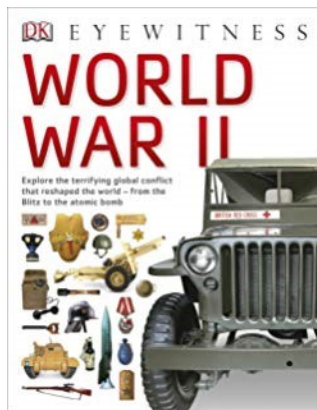

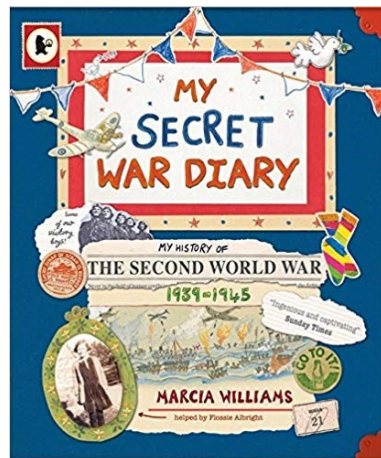

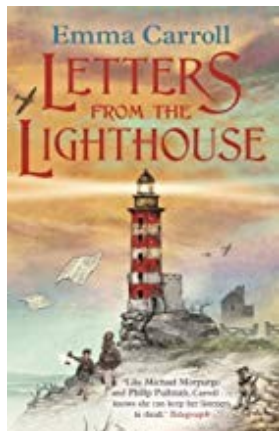

In DT we will learn about CAM mechanisms and design and make toys that use cams in them.

## Computing

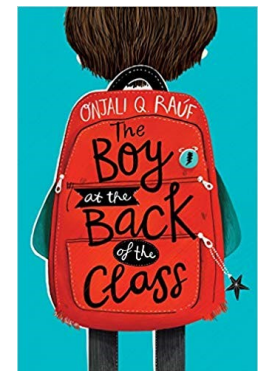

We will begin the year by discussing important issues around Online Safety, focusing on what we share online. We will also be developing our skills using Microsoft programs.
