

Ospreys Class RE: Christianity—What do Christians learn from the creation story?

Key knowledge	
Genesis	Genesis is the first book of the Bible. This is the very start of the Creation story.
Creation	The story recounts how God creates each part of the world on each day. This culminates with the creation of human beings on the sixth day.
Fall	Adam and Eve eat from the tree of the knowledge of good and evil — the one thing that God has commanded them not to do. Many Christians talk about this as being the moment when sin enters the world — or ‘the Fall’.

By the end of this topic we will...

- Place the concepts of God and Creation on a timeline of the Bible’s ‘Big Story’.
- Make clear links between Genesis 1 and what Christians believe about God and Creation.
- Describe what Christians do because they believe God is Creator. (For example, follow God, wonder at how amazing God’s creation is; care for the earth in some specific ways.)
- Ask questions and suggest answers about what might be important in the creation story for Christians living today, and for people who are not Christians.
