

Owls 'We Could Be Heroes' Knowledge Organiser – Spring Term 1 2024

- Our key question for this topic is: What is a superhero?
- Key areas of learning: Personal, Social, Emotional Development (PSED), Communication and Language (CL) and Understanding the World (UW).
- By the end of this topic I will know: That kindness and perseverance can be my superpowers, how to eat healthily, discuss different people who help us and what their jobs are, how to write a descriptive sentence and include positional language, how to weigh and measure items to find mass, capacity, height and length, and how to recycle.
- This topic we will be superheroes! We will catch the 'evil pea', learn how to be eco warriors and healthy eaters and learn about different people who help us. We will also be learning about Chinese New Year.
- The books we shall read during this topic are: Supertato, Somebody Swallowed Stanley, The Whale Who Wanted More and Non-Fiction Texts about People Who Help Us.

Key Vocabulary	
Perseverance	Continuing to try even when things are tricky.
Healthy eating	Eating a range of foods which give us all the vitamins and nutrients we need to grow.
Recycle	Re-use something and turn it into something new.
Eco-Friendly	To not be harmful to the environment.
Length	How long something is.
Capacity	How much a container can hold.
Balance	An even distribution of weight, when something is stable.
Measure	To work out the size, length, weight or capacity of something.
