

How does the weather affect us?

Year 1 Geography

Key Vocabulary

Country	A land that is controlled by one group of government.
Ocean	A huge body of saltwater.
Climate	A weather pattern lasting over a long time.
Weather forecast	A prediction of what the weather will be like in the future
symbols	Pictures or signs that help us understand something
Seasons	The year is divided into 4 seasons: spring, summer, autumn and winter
Temperature	A measure of how hot or cold something is.
United Kingdom	Made up of England, Northern Ireland, Scotland and Wales.
affects	Makes a difference to
Waterproof	Keeps out water

By the end of the unit the children will know:

- The four countries in the United Kingdom and locate them on a map.
- What the weather is
- That there are different types of weather and that it changes
- Understand how to keep a weather chart and answer questions about the weather
- How to observe and comment on changes in the seasons
