

English

Our focus book this term is *The Boy Who Biked The World Part 2: Riding the Americas* by Alastair Humphreys. This is a story written through the eyes of a boy based on true adventures of biking from the tip of South America to the top of North America.

Maths

To begin this term, we will be continuing with addition and subtraction using column methods before building on our knowledge of multiplication and division.

Science

We will be learning about animals including humans in science this term. We will look at nutrient groups and find out what we need to have a healthy diet. We will also learn about digestion, muscles and skeletons.

D.T

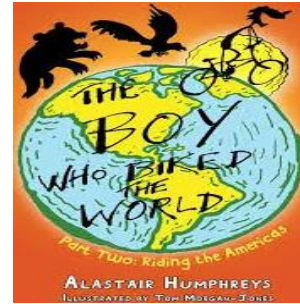

Linking with our science and geography topics, we will be examining where food comes from around the world and what a healthy diet looks like. The skills we will be focusing on will be slicing, mixing and kneading.

PE

On Monday we will be doing Tag Rugby with Up & Under. On Thursday we will be continuing to develop our co-ordination and control skills with various games and activities.

Ospreys Spring 1

How does the weather in Florida impact the environment?

Class information

- **Our P.E. days this term are Monday & Thursday.**
- **We will have weekly table races and spellings on a Friday. New spellings will be sent home on Monday. Children are encouraged to use Table Rock Stars to practice each week.**
- **Spellings are practiced throughout the week and taught using the 'sounds write' programme to support pupils for their test on Friday.**
- **Please make sure your child has a water bottle in school everyday.**
- **As part of homework children are required to read 5x per week. This should be recorded in their reading records which are checked on Fridays. House points are given to those that complete their homework.**

Geography

As part of our big question we will be focusing on how the weather impacts the environment in Florida. We will be looking at how this impacts the people that live there and how this compares to Wiltshire.

Computing

We will be learning about networks and what components are required to make a network. We will also be learning how devices communicate and how a website works..

PSHE

This term our theme for PSHE is dreams and goals.

RE

Our key question in RE this term is 'What do Christians learn from the creation story.' We will be looking at all the awesome things in our world, both natural and man-made. We will be thinking about how to look after our world and all the living things in it.

French

We will be learning how to greet people, be able to ask and say our name and age, and learn how to count to 20.

Year 3 Reading Recommendations
