

Why is Shakespeare still a significant figure today?

English

We will be studying Shakespeare this term, linking to our history topic. We will be learning about 3 of his plays: Macbeth, The Tempest and A Midsummer's Nights Dream. We will be focusing on our creative writing as well as our reading and performance skills.

Maths

In maths this term we will start off by learning how to calculate the area and perimeter of a range of different shapes. We will also learn about tables and how to read/interpret timetables. We will finish the term by learning how to calculate and identify different angles.

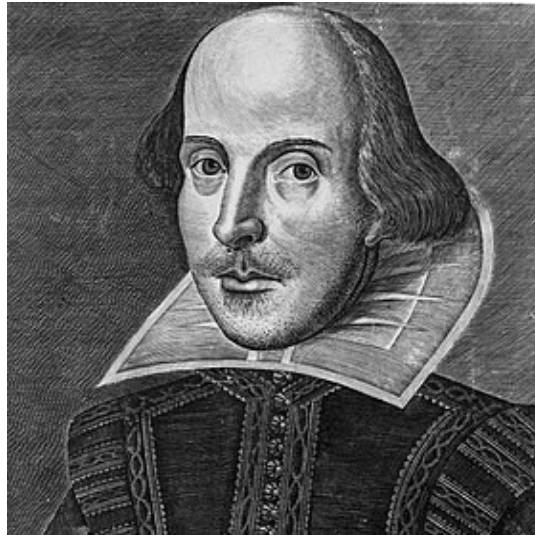

Art and DT

In art we will study the Artist Darrell Wakelam. We will learn how to use this artist as inspiration to eventually make 3D cardboard models. At the end of the term we will start to make props for our end of year production.

Computing

We will continue to learn about online safety. This will include how to recognise and manage online bullying as well as how to ensure our privacy and security online.

Kites Summer 2024

Class information:

PE will be on a Monday and

Wednesday this term.

We will be outside doing athletics so please wear outside PE kits.

Reading Records will be checked on Fridays. These need to be signed by an adult at least once a week.

Spellings will also be tested on Fridays. New spellings are given out and stuck into spelling books each Friday to allow a weeks practise.

History

We are travelling to the Tudor period in History this term to discover who William Shakespeare was and what life was like for people in Tudor times. We will be learning all about the monarch during this time and comparing her to our monarch now. We will also be discovering how the public entertained themselves during the 1500s as well as Shakespeare's impact on the English language to this day.

Science

This term we will be learning about materials and the properties that each material might have. We will try to understand why certain materials are better for recycling and try to decide what materials are best suited for different situations.

RE

Our theme in RE this term is based around beliefs and moral values. We will be developing our knowledge of Hinduism by asking 'Do beliefs in Karma, Samsara and Moksha help Hindus lead good lives?'

PE

This term we will start off by having Athletics with Up and Under as well as learning tennis skills on a Wednesday. We will end the summer term with yoga.
