

Geography Progression EYFS

	3 & 4 Year Olds	Reception	ELG
Mathematics	<p>Understand position through words alone with no pointing</p> <p>Describe a familiar route</p> <p>Discuss routes and locations using words like 'in front of' and 'behind'</p>		
Understanding the World	<p>Use all their senses in hands-on exploration of natural materials</p> <p>Begin to understand the need to respect and care for the natural environment and all living things</p> <p>Know that there are different countries in the world and talk about the differences they have experienced or seen in photos</p>	<p>Draw information from a simple map</p> <p>Recognise some similarities and differences between life in this country and other countries</p> <p>Explore the natural world around them</p> <p>Recognise some environments that are different to the one in which they live</p>	<p>Describe their immediate environment using knowledge from observation, discussion, stories, non-fiction texts and maps</p> <p>Explain some similarities and differences between life in this country and life in other countries, drawing on knowledge from stories, non-fiction texts and (where appropriate) maps</p> <p>Know some similarities and differences between the natural world around them and contrasting environments, drawing on their experiences and what has been read in class</p> <p>Understand some important processes and changes in the natural world around them including the seasons</p>

Geography Progression Key Stage 1

	Year 1 Focus on local environment & UK	Year 2 Comparing UK to a non-EU country	End of Key Stage Expectations
Locational knowledge	<p>Can I name and locate the four countries making up the British Isles, with their capital cities?</p> <p>Can I name the surrounding seas of the United Kingdom?</p> <p>Can I talk about the main features of each of the four countries that make up the United Kingdom?</p>	<p>Can I locate and name the continents on a World Map?</p> <p>Can I locate and label the five oceans?</p> <p>Name, locate and identify the characteristics of the four countries and capital cities of the United Kingdom and its surrounding seas?</p>	<p>Name and locate the world's seven continents and five oceans</p> <p>Name, locate and identify characteristics of the four countries and capital cities of the United Kingdom and its surrounding seas</p>
Place knowledge	<p>Can I recognise similarities and differences of geographical features in my own immediate environment?</p> <p>Can I talk about people and places within my local environment?</p> <p>Can I compare contrasting places in the UK?</p> <p>Can I talk about people and places beyond my local environment?</p> <p>Can I identify the key features of a location in order to say whether it is a city, town, village, coastal or rural area?</p>	<p>Can I compare a local City/town in England with a contrasting city in a different country?</p> <p>Can I identify the key features of a location in order to say whether it is a city, town, village, coastal or rural area?</p>	<p>Understand geographical similarities and differences through studying the human and physical geography of a small area of the United Kingdom, and of a small area in a contrasting non-European country</p>

<p style="writing-mode: vertical-rl; transform: rotate(180deg);">Human and Physical Geography</p>	<p>Can I compare and contrast the human and physical features of two British localities, including how the use of land differs in each locality?</p> <p>Can I talk about weather in the UK, what happens in different seasons and how weather changes on a daily basis?</p> <p>Can I identify land use around the school?</p> <p>Can I use geographical vocabulary such as beach, coast, forest, hill, mountain, sea, river, weather, city, town, village, factory, farm, house, office shop to refer to the physical and human features of places studied?</p>	<p>Can I ask and answer geographical questions such as: What is this place like? What or who will I see in this place? What do people do in this place?</p> <p>Can I talk about hot and cold parts of the world, discussing in relation to the equator and the North/South Poles?</p> <p>Can I compare and contrast the human and physical features of a British locality with a non-European locality, including land use differences?</p> <p>Can I use geographical vocabulary such as beach, coast, forest, hill, mountain, ocean, river, soil, valley, vegetation, season, weather, city, town, village, factory, farm, house, office, shop, port and harbour to refer to the physical and human features of places studied?</p>	<p>Identify seasonal and daily weather patterns in the United Kingdom and the location of hot and cold areas of the world in relation to the Equator and the North and South Poles</p> <p>Use basic geographical vocabulary to refer to:</p> <p>key physical features, including: beach, cliff, coast, forest, hill, mountain, sea, ocean, river, soil, valley, vegetation, season and weather</p> <p>Key human features, including: city, town, village, factory, farm, house, office, port, harbour and shop</p>
<p style="writing-mode: vertical-rl; transform: rotate(180deg);">Geographical skills and fieldwork</p>	<p>Can I use maps, atlases, globes and digital/computer mapping (Google Earth) to locate countries and cities?</p> <p>Can I use aerial images to recognise landmarks and basic physical features?</p> <p>Can I use simple fieldwork to observe, measure and record the human and physical features in the local area?</p> <p>Can I use a simple key to recognise physical or human features on a map?</p> <p>Can I create a simple map of my local environment?</p>	<p>Can I use maps, atlases, globes and digital/computer mapping (Google Earth) to locate countries and describe features studied?</p> <p>Can I learn and use the four points of a compass to describe the location of features on a map?</p> <p>Can I use locational and directional language such as: near, far, left, right to describe the location of features on a map?</p> <p>Can I use aerial images and plan perspectives to recognise landmarks and basic physical features?</p> <p>Can I devise a simple map, and use and construct basic symbols in a key?</p> <p>Can I use simple grid references? (A1, B1)</p> <p>Can I use fieldwork to observe, measure and record the human and physical features in the local area?</p>	<p>Use world maps, atlases and globes to identify the United Kingdom and its countries, as well as the countries, continents and oceans studied at this key stage</p> <p>Use simple compass directions (North, South, East and West) and locational and directional language [for example, near and far; left and right], to describe the location of features and routes on a map.</p> <p>Use aerial photographs and plan perspectives to recognise landmarks and basic human and physical features; devise a simple map; and use and construct basic symbols in a key.</p> <p>Use simple fieldwork and observational skills to study the geography of school and its grounds and the key human and physical features of its surrounding environment.</p>

Geography Progression Key Stage 2

	Year 3 Focus on North America (Florida), Polar regions and mountains	Year 4 Focus on North America (Florida), Polar regions and mountains	Year 5 Focus on South America (rainforests), areas of conflict & poor resources (refugees)	Year 6 Focus on South America (rainforests), areas of conflict & poor resources (refugees)	End of Key Stage Expectations
Locational knowledge	<p>Can I locate and name the continents on a World Map?</p> <p>Can I name, locate and identify the characteristics of the four countries and capital cities of the United Kingdom and its surrounding seas?</p> <p>Can I name and locate counties and cities of the United Kingdom?</p> <p>Can I locate geographical regions and their identifying human and physical characteristics, including hills, mountains, cities, rivers, key topographical features and land-use patterns, and understand how some of these aspects have changed over time?</p> <p>Can I name and locate some countries of Europe?</p> <p>Can I name and some countries of North America?</p> <p>Can I share my own views about locations?</p> <p>Can I name and locate the Equator, Northern Hemisphere, Southern Hemisphere, Arctic and Antarctic Circles and date and time zones?</p>	<p>Can I name and locate counties and cities of the United Kingdom?</p> <p>Can I locate geographical regions and their identifying human and physical characteristics, including hills, mountains, cities, rivers, key topographical features and land-use patterns, and understand how some of these aspects have changed over time?</p> <p>Can I name and locate the countries of Europe?</p> <p>Can I name and locate the countries of North America?</p> <p>Can I explain my own views about locations, giving reasons?</p> <p>Can I name and locate the Equator, Northern Hemisphere, Southern Hemisphere, the Tropics of Cancer and Capricorn, Arctic and Antarctic Circles and date and time zones?</p>	<p>Can I name and locate some of the countries and cities of the world and their identifying human and physical characteristics, including hills, mountains, rivers, key topographical features and land-use patterns; and begin to understand how some of these aspects have changed over time?</p> <p>Can I name and locate the countries of Europe and some countries of South America?</p> <p>Can I identify the position and significance of latitude, longitude, Equator, Northern Hemisphere, Southern Hemisphere, Arctic and Antarctic Circle, the Prime/Greenwich Meridian and time zones (including day and night)?</p>	<p>Can I name and locate some of the countries and cities of the world and their identifying human and physical characteristics, including hills, mountains, rivers, key topographical features and land-use patterns; and understand how some of these aspects have changed over time?</p> <p>Can I name and locate the countries of Europe and South America?</p> <p>Can I identify the position and significance of latitude, longitude, Equator, Northern Hemisphere, Southern Hemisphere, the Tropics of Cancer and Capricorn, Arctic and Antarctic Circle, the Prime/Greenwich Meridian and time zones (including day and night)?</p>	<p>Locate the world's countries, using maps to focus on Europe (including the location of Russia) and North and South America, concentrating on their environmental regions, key physical and human characteristics, countries, and major cities.</p> <p>Name and locate counties and cities of the United Kingdom, geographical regions and their identifying human and physical characteristics, key topographical features (including hills, mountains, coasts and rivers), and land-use patterns; and understand how some of these aspects have changed over time</p> <p>Identify the position and significance of latitude, longitude, Equator, Northern Hemisphere, Southern Hemisphere, the Tropics of Cancer and Capricorn, Arctic and Antarctic Circle, the Prime/Greenwich Meridian and time zones (including day and night)</p>

<p style="writing-mode: vertical-rl; transform: rotate(180deg);">Place knowledge</p>	<p>Can I compare geographical regions and their identifying human and physical characteristics, including hills, mountains, cities, rivers, key topographical features and land-use?</p> <p>Can I identify the main physical and human characteristics of the countries studied?</p> <p>Can I describe geographical similarities and differences between a region in the United Kingdom and one in the region studied?</p>	<p>Can I compare geographical regions and their identifying human and physical characteristics, including hills, mountains, cities, rivers, key topographical features and land-use patterns, and understand how some of these aspects have changed over time?</p> <p>Can I identify the main physical and human characteristics of the countries studied?</p> <p>Can I describe some of the features of the following areas: the Equator, Northern Hemisphere, Southern Hemisphere, the Tropics of Cancer and Capricorn, Arctic and Antarctic Circles and date and time zones?</p> <p>Can I describe geographical similarities and differences between countries?</p>	<p>Can I understand some of the reasons for geographical similarities and differences between countries?</p> <p>Can I explain how locations around the world are changing and explain some of the reasons for change?</p> <p>Am I beginning to understand and explain geographical diversity across the world?</p>	<p>Can I explain and discuss a range of reasons for geographical similarities and differences between countries?</p> <p>Can I explain how locations around the world are changing and explain some of the reasons for change?</p> <p>Can I describe geographical diversity across the world?</p>	<p>Understand geographical similarities and differences through the study of human and physical geography of a region of the United Kingdom, a region in a European country, and a region within North or South America</p>
--	--	--	--	--	---

<p style="writing-mode: vertical-rl; transform: rotate(180deg);">Human and Physical Geography</p>	<p>Can I ask and answer geographical questions about the physical and human characteristics of a location?</p> <p>Can I describe key aspects of physical geography, including rivers, mountains, volcanoes and earthquakes of an area in the United Kingdom and an another country?</p> <p>Can I describe key aspects of human geography including settlements and land use of an area in the United Kingdom and another country?</p>	<p>Can I ask and answer geographical questions about the physical and human characteristics of a location?</p> <p>Can I describe key aspects of physical geography, including rivers, mountains, volcanoes, earthquakes and the water cycle?</p> <p>Can I describe key aspects of human geography including settlements and land use, and explain why humans have chosen to settle there?</p>	<p>Am I beginning to collect and analyse statistics and other information in order to draw clear conclusions about locations?</p> <p>Am I beginning to identify and describe how the physical features affect the human activity within a location?</p> <p>Can I identify and describe the main human and physical characteristics of the area studied?</p> <p>Am I beginning to understand and explain how countries and geographical regions are interconnected and interdependent?</p> <p>Can I name and locate some of the countries and cities of the world and their identifying human and physical characteristics and understand how some of these aspects have changed over time?</p> <p>Can I describe and understand key aspects of physical geography, including: climate zones, biomes and vegetation belts, rivers, mountains, volcanoes and earthquakes, and the water cycle?</p> <p>Can I describe and understand key aspects of human geography, including: types of settlement and land use, economic activity including trade links, and the distribution of natural resources including energy, food, minerals and water?</p>	<p>Can I collect and analyse statistics and other information in order to draw clear conclusions about locations?</p> <p>Can I identify and describe how the physical features affect the human activity within a location?</p> <p>Can I identify and describe the main human and physical characteristics of the area studied?</p> <p>Can I explain how countries and geographical regions are interconnected and interdependent?</p> <p>Can I name and locate some of the countries and cities of the world and their identifying human and physical characteristics and understand how some of these aspects have changed over time?</p> <p>Can I describe and understand key aspects of physical geography, including: climate zones, biomes and vegetation belts, rivers, mountains, volcanoes and earthquakes, and the water cycle?</p> <p>Can I describe and understand key aspects of human geography, including: types of settlement and land use, economic activity including trade links, and the distribution of natural resources including energy, food, minerals and water?</p>	<p>Describe and understand key aspects of:</p> <p>physical geography, including: climate zones, biomes and vegetation belts, rivers, mountains, volcanoes and earthquakes, and the water cycle</p> <p>human geography, including: types of settlement and land use, economic activity including trade links, and the distribution of natural resources including energy, food, minerals and water</p>
