

English

Linking to our history topic on Ancient Egypt, we are using the book *Secrets of a Sun King* to inspire our writing this term. We are writing to inform, focusing on diary style writing. We will be using our school trip to the Ashmolean Museum to inspire our diary writing.

Maths

To begin this term, we will be building on our knowledge of addition and subtraction before moving on to multiplication and focusing on the 3x, 4x and 8x tables. We will continue with table races on a Friday.

RE

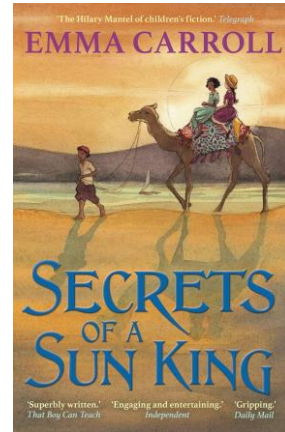

Our key question in RE this term is 'What do Christians learn from the creation story.' We will be looking at all the amazing things in our world, both natural and man-made. We will look at the story of Adam and Eve and The Fall and explore how this may have affected our lives today. We will be thinking about how to look after our world and all the living things in it.

PE

Throughout the spring term we will be developing our co-ordination and balancing skills. The children will be doing football in term 3 and basketball in term 4 with Up and Under.

Ospreys Spring 2025

What did the Ancient Egyptians achieve?

Class information

- **P.E. days this term are Monday and Wednesday.**
- **Weekly tables races and spellings are on a Friday.**
- **Reading at home should take place five times a week and be recorded in reading records.**
- **A reminder that homework is spelling practice, table race practice and reading at home five times a week.**
- **Please make sure your child has a water bottle and coat in school everyday.**

History

During our topic on Ancient Egypt, we will be learning about mummification, exploring why pyramids were made, learning about the Gods they worshiped as well as the importance of the River Nile and how Egyptians transported water. We will also learn about hieroglyphics and how we learnt to decipher them.

Computing

In computing we will be learning about programming using scratch. We will be using this to learn how to change, add sequences and commands to a programme.

PSHE

This term our theme for PSHE is Goals and Dreams.

Science

We will be learning about animals including humans in science this term. We will look at nutrient groups and find out what we need to have a healthy diet. We will also learn about digestion, muscles and skeletons.

Art and DT

In art we will be using clay to create Egyptian artefacts and will be making Egyptian masks. In DT we are looking at how we can follow and adapt a recipe.
